Sub: Thermol-D a multifunctional diesel additive.

Dear Sir,

This refer to our discussion and as desired by you we are confirming following benefits obtained after usage of Thermol D.

1. On an average diesel savings obtained between 5-7%.
2. PUC reduced by 30%.
3. During maintenance of various engines we observed no deposits of carbon on various parts.
4. We are using Thermol - D since last 5 years and no adverse effect seen on any engine parts.

We are fully satisfied and using Thermol D continuously since last 5 years and enjoying its benefits.

More over after sales service of Abhitech team is very much appreciated.

Thanking you
